

Carcoforo ideal village of Italy

Set in a beautiful dip at the foot of the Mount Rosa massif, Carcoforo welcomes visitors to its enchanting natural surroundings.

An amphitheatre where flora and fauna delight tourists who want to learn about nature and a tranquil lifestyle.

Ideal for holidaymakers to relax and recover their sense of taste and beauty, simple and unadulterated!

In Spring time there are hikes of different level of difficulty within the Natural Park of Upper Valsesia, which lead along the paths of the Via Alpina and the GTA, divided into stages and also with areas equipped for camper vans.

In winter the snow-covered mountains invite holiday makers to take part in winter sports, cross-country, downhill skiing and ice-skating.
